I'd like to thank the Oakbank Playground Committee for having us out to their Community BBQ. As a "Best Friends" level community sponsor of their playground, I was thrilled to receive a thank you card with an awesome playground drawing from a grade 2 student.

Springfield Music Parents Association, and Springfield Music Association finished up their year on June 10th with their AGM. They've set their meeting dates for the upcoming school year and will be meeting on the third Monday of each month and alternating between SCI & SMS. They're hoping to grow their organization next year to include more parents.

I've appreciated the opportunity over the last two weeks to celebrate our long service and retirees at a dinner put on by the Division on June 11. I also really enjoyed celebrating former Trustee Russ Reid as he was honored last night at the Community Futures Winnipeg River AGM and Awards Banquet.

SCI's PAC had their final meeting of the school year. They have an AGM currently scheduled for September 24, 2024 at 7 pm. They've been reviewing their constitution, filling their PAC positions, and are looking forward to a great year next year.

Looking ahead, I'm excited to be joining Trustee Dent to hand out freezies to students at OBE tomorrow. I'm also looking forward to celebrating the Grade 5s at OBE at their Farewell Assembly on June 25th.

I'd like to congratulate all of our graduates that will be celebrating in the next couple of weeks. I'm thrilled to be attending the SCI graduation ceremony again this year.

As our year comes to an end, and this is our last meeting of the 2023/24 school year, I'd like to finish off by thanking our staff for their commitment to our students all year long. Your hard work and dedication is helping to shape our

youth. Thank you for all you do, all year long. I hope you enjoy a well-deserved break this summer. (Trustee Rowan)

Last time we were here I mentioned we were going to have a community picnic (at Whitemouth School) so I am just reporting on the results. We had over 300 people, not including the kids coming all the way from East Braintree to Seven Sisters, to celebrate with the kids at the end of the year. (Trustee Nichol)

Very busy time of year for our schools – students are excited – staff are exhausted! I attended Hazelridge’s Annual School Family Picnic on Friday – hosted by the PAC. Lots of food, games for the kids. It was a really fun evening. Great turnout. Kudos to the PAC – they are a very active group and provide so much support for the school. I just want to thank them for all that they do. (Trustee Boitson)

I just wanted to mention one thing that’s coming up -- the Edward Schreyer grads are having their grad parade on June 20th at 7 pm. So, if anyone is going to be out and about and would like to see the parade it is on the 20th. Rain date, I believe, is the 21st. (Trustee Smith)

I wanted to do a shout out to all our graduates right now and also to all the folks who generously donate scholarships. Congratulations to students who are getting a really great gift from people in our community. I’ve tried to lay low as a superintendent and let our new superintendent take the reins, but this is one I am super proud to present because we have a student out in Powerview by the name of Landon Reid who has pulled down a scholarship of \$120,000 over four years from the Schulich Leader scholarships. It is given to two Manitobans and given to 100 (students) across Canada and he is one of two Manitobans to receive this scholarship. In all my years as superintendent I have to say I have not seen an amount of this size. So, congratulations, this is a tremendous accomplishment. (Outgoing Superintendent Tymko)

I cannot follow that up as Malissa likes to say. Gillis school is having an end of year BBQ tomorrow at 4:30 pm at their school in Tyndall. The Community of Tyndall is invited to attend. (Trustee Harris)

On June 20th, Powerview school is hosting their first showcase Pow Wow and it’s going all day. If you can get out there, go ahead and do that. I also received a letter on behalf of the school division from the Terry Fox Foundation. This letter talks about the impact all schools have had and the money they’ve raised over the years. This year the Sunrise School Division raised \$16,532. I’ll share this letter with all trustees, but it’s pretty impressive when small schools like Whitemouth school raise the amount of money they are going out and raising. Very impressive. Cathy, I was about to say that there is a hockey player on my team and since I’ve taught him everything that he knows about hockey and he was the one who won the Schulich scholarship, I must have been very influential! Trevor that’s quite a big deal. I know we don’t often toot our own horns, but the Schulich scholarships aren’t given out to just anyone and \$120,000 over four years is pretty impressive. Congratulations to Landon. And we know where Landon gets it from—from all the work I did with him in hockey! (Trustee Magnan)
