To Sunrise School Division Board of Trustees,

Re: Lac du Bonnet Senior School Travel Club 2025

I would like to request your approval to begin planning our trip for Spring Break 2025. I will prepare and submit all of the necessary documentation (Higher Care Field Trip Proposal Form) at a later date. Our requested departure date is March 28, 2025, and our return date is April 4, 2025. Our destinations are Paris and London.

Travel Club at Lac du Bonnet Senior School has a very successful history of travel for almost 20 years. Our students have now had the opportunity to travel to Greece in 2005, Italy in 2006, Dublin, London, Paris in 2007, Costa Rica in 2008, Germany and Switzerland in 2009, China in 2011, London, Paris, Barcelona in 2012, Voluntour (with Free the Children) to Kenya in 2013, California in 2014, and London, Paris and Rome in 2015 and Costa Rica in 2018. Our trip to Italy in 2020 had to be cancelled right before departure due to the global pandemic. These experiences will bring a lifetime of memories for these students.

EF Tours has decades of combined experience in travel, with safety being the first priority.

I am attaching a copy of the itinerary.

Thank you for your consideration.

Sincerely,

Lisa Gow
Group Leader

Day 2: Paris

Morning: Arrive in Paris and meet your Tour Director at the airport

Welcome to Paris, the cosmopolitan City of Light. While visiting, learn why Paris has grown to become the undisputed center of France, and one of the world's most important cities both culturally and politically.

12:00pm: Time for lunch in small, supervised groups

With the support of the Tour Director, the Group Leader will determine boundaries of where groups can go during this time.

2:00pm: Walking tour of Paris

Join your Tour Director on a walking tour that will introduce you to Paris. Together, you might see the chic, boutique-filled Opéra district, city's largest square at the Place de la Concorde, and the geometric Tuileries gardens.

3:00pm: See Notre-Dame Cathedral

Built between 1163 and 1361 over the remains of an ancient Roman temple, it was here that Napoleon crowned himself emperor in 1804. Victor Hugo once described the sculptured façade of Notre Dame as "a vast symphony in stone." However, had it not been for the creation of his famous hunchback, Quasimodo, the cathedral might never have returned to its former glory. Hugo's novel *The Hunchback of Notre-Dame* helped inspire a 23-year restoration of the cathedral that began in 1841.

Finally, be sure to snap a photo at the magnificent Eiffel Tower, an unmistakable and controversial symbol of Paris since its appearance at the 1889 World's Fair.

12:00pm: Time for lunch in small, supervised groups

With the support of the Tour Director, the Group Leader will determine boundaries of where groups can go during this time.

2:00pm: Optional Activity – Guided Excursion to Versailles

Step back into le grand siècle as you experience the opulence of Versailles, the elaborate palace of Louis XIV. Built to be the envy of all Europe, France's most extravagant château continually threatened to bankrupt the national treasury. Here the Sun King held court in the most lavish style imaginable. At one point, 1,000 nobles were attended by 4,000 servants inside the palace, while 15,000 soldiers and servants inhabited the annexes. You'll also tour the State Apartments of the King himself and walk through the historic Hall of Mirrors, where France, Spain and England officially recognized the independence of the United States in 1783, and where the Treaty of Versailles, which ended WWI, was signed. You'll also witness the ornate decor of the Queen's State Apartments, furnished for Marie Antoinette. After your visit inside the palace, be sure to take some time to stroll through the elaborate gardens, designed by André Le Nôtre. Because of the extreme popularity of Versailles, guided visits of the interior cannot be guaranteed during peak seasons. In this case, your group will hear a presentation from your guide before entering the palace.

6:00pm: Group dinner at a restaurant in central Paris

7:00pm: Seine River Cruise

This afternoon, take a narrated river cruise along the Seine. As your boat glides from one graceful bridge to the next, sit back and gaze at the illuminated landmarks of Paris as they pan into view.

Pei's 1989 modernist glass pyramid. Inside, discover priceless antiquities from Egypt, Greece, Italy and Asia such as the statues of *Venus de Milo* and *Nike of Samothrace*, better known as *Winged Victory*. You'll also see some of the Louvre's most prized paintings by Renaissance and European masters, including Leonardo da Vinci's painting of the mysterious *Mona Lisa*.

2:00pm: Optional Activity – Guided Excursion to Windsor Castle

This half-day guided excursion to the town of Windsor features a visit to Windsor Castle. While there, take a look at the Royal Apartments, the setting of regal festivities. Also see the castle's collection of historical treasures, including the queen's porcelain and Henry VIII's suit of armour. Queen Victoria loved to entertain at Windsor, but ultimately ended up in seclusion within the castle mourning the death of her beloved Albert. Visit, too, Queen Mary's Dolls' House and St. George's Chapel, final resting place of many monarchs-including Henry VIII and Charles I. (If the royal family is in residence, some of the Royal Apartments may be closed. On the rare occasion that Windsor Castle is closed, you'll instead visit Henry VIII's extravagant retreat, Hampton Court.)

The Tower buildings have had many uses over the years; perhaps the most infamous was as a jail for political prisoners, not to mention two of Henry VIII's wives. The most famous exhibits at the Tower are the British Crown Jewels. Aside from a short interruption during WWII, these splendid baubles have been locked behind the Tower's walls for centuries.
