

**Divisional Parent Advisory Council (DPAC) Meeting
December 3, 2024**

As part of the Board's Annual Planning Cycle, the Board hosts a fall DPAC meeting with representatives from parent organizations from across the school division. This year the meeting was held on October 24. The meeting was well attended and there was a high level of engagement with the parents who were in attendance.

In the past calendar year, conversations at the Board table on both eliminating the DPAC meeting and potentially adding a second DPAC meeting in the spring have occurred.

If the Board decided to add a second DPAC meeting to the Annual Planning Cycle the month of April would be the most logical time to hold this event. This would coincide with the review of the strategic plan that is already on the Annual Planning Cycle. A second DPAC meeting held in April could provide the opportunity to either collect feedback from parents across the division on the Strategic Plan or review the Strategic Plan with parental involvement.
