The Board of Trustees pleased to announce Patty Whatman as the Assistant Principal of Oak Bank Elementary School effective fall 2024.

Patty has 28 years of education experience, most recently as the Interim Assistant Principal of Oak Bank Elementary School. She has been the Active Program Leader, a teacher-in-charge, a team leader and a learning coach with an extensive background in early and middle years. Her leadership style is one of capacity building, networking and open communication. She has planned and delivered professional development for teachers and educational assistants. She has been a co-teacher and mentor modelling effective teaching practices.

Patty's priority is creating hands-on, project-based learning opportunities, collaborative learning experiences, and opportunity for students to explore and pursue their interests and passions.

Please join us in welcoming Patty to her new leadership opportunity.
