

## **Divisional Mileage Rate**

**Board Meeting –October 1, 2024**  
**Prepared By: Jody Thiessen CPA, CGA**  
**Secretary-Treasurer**

The recommendation is to keep the milage rate the same, at \$.52 cents per KM.

The last time the mileage rate increased was April 1, 2023. The rate changed from \$.50 per KM to \$.52 per KM.

The divisional milage rate will be reviewed in March 2025 for consideration for a rate change effective April 1, 2025.

There are several factors when determining the milage rate. Fuel prices are not the only factor. Other considerations would be the cost for maintenance, mileage rates at other divisions, National Joint Council mileage reimbursement and CRA's reasonable per-kilometre allowance rate.

The National Joint Council rate has not changed and remains at .54 per KM. The CRA's reasonable per kilometre allowance changed in 2024 from .68 to .70 for the first 5,000 and from .62 to .64 per kilometer driven after that.

A question was sent to all school divisions inquiring about the divisional milage policy and rate. Attached is the summary of the divisions. 30 out of 35 divisions responded. Sunrise is in the middle when compared to other divisions. MSBA's executive mileage rate is also provided.

In preparation for the October board meeting a review of fuel costs has been completed. Fuel prices have remained favorable at the time of the report the average fuel price in Winnipeg for the month of August was 1.47 as per statistics Canada.

### Suggested Recommendation

**BE IT RESOLVED THAT** the Board of Trustees set the divisional mileage rate at .52 cents per kilometre.

**Summary of School Division Mileage rates**  
**Prepared for October 1, 2024 Board meeting**
