

**Program Reviews
June 18, 2024**

Since the 2021/22 school year the Division has undertaken two program reviews each year. Program reviews completed to date are as follows:

2021/22 School Year

French Immersion
Library Services

2022/23 School Year

Talent Development
Arts Education

2023/24 School Year

Alternative High School
Physical Education

Looking ahead to the 2024/25 school year it is recommended the Division review the following two programs:

1. Student Services – The division is scheduled to be part of a rotational provincial student services review during the 2024/25 school year. The work done to support the provincial review would align with our Sunrise review process.
2. Extra-Curricular Sports – During the Physical Education review it was clear teachers and administrators wanted to engage in conversations regarding school sports teams, which was outside the scope of the review. A review of these teams/programs would also provide additional information on the recent topic of fees charges to students.
