

Anola School:

- Students with special needs learning how to cook.
- More focused transitions to SCI/EESS from Anola
 - Our students with special needs will be joining SCI students for swimming activities.
- Students with exceptional needs taking part in their own IEP meetings.
 - Students being encouraged to come up with their own goal (at least one)
- Students taking pictures for yearbook.
- Cross Country – EY and MY
- Art in an Art Room
 - Have created an Art room for Art to be taught. New to Anola this year
- Middle Years Soccer
- Grade 4/5 Handball
- Volleyball
- 6-8 Teams Reading Assessments/Writing - Online
- Kindergarten- daily stations/centers
- Pumpkin exploration unit for literacy.
- Truth and reconciliation day activities
- Terry fox walk
- Lego club
- Zones of regulation in k-5 classrooms starting soon.
- Grade 8 Leadership
- Lunch monitors
- Zones of Regulation

Hazelridge School:

- Intramurals for grades 1-5 during first recess breaks
- A grade 5 leadership program which runs the recycling program and helps with lunch supervision for kindergarten students
- Grade 5s joining in the divisional Tripleball Tournament
- Grades 3/4/5 going to divisional cross country meet
- Field trip to Ginew Healing Lodge to walk with nature with Elder Allen Sutherland

Oakbank Elementary School:

- Peacemakers
- Peacemaker Mentorship
- Student presenters at each monthly assembly
- Socktober collection
- Recycling Team
- Tab collection
- Battery collection
- Marker recycling
- Intramurals (Fitness Frolics, Belly Baseball, Turkey Trots)
- Students sharing information on announcements
- Terry Fox walk
- Gym leadership students
- Grade 4 Community walk for Reconciliation
- National Day for Truth and Reconciliation Day Assembly and Knowledge Keeper visit
- Student performance at Thanksgiving Assembly
- Grade 4 class connection to local Senior Centre
- Grade 5 class collaboration with Springfield Middle School for Halloween
- Grade 5 collaboration with Springfield Collegiate for Career Fair
- Grade 4 class author visit
- Grade 5 class reading and puppet presentations for kindergarten
- Cross grade buddy activities

Gross Colony School:

- school-wide teambuilding activities that encourage problem solving and critical thinking skills
- Spirit Weeks
- I Love to Read guest readers
- Mother's Day Tea
- Christmas concert with children and adult choir
- pancake breakfast
- Year end picnic
- Back to School Minute to Win It activities
- Egg dying and Easter egg hunts
- swimming lessons
- Birthday celebrations
- Walking club
- Outdoor activity days - lawn games, GPS
- Hosting colony tours

École Beausejour Early Years School:

- Dot Day
- Xmas Concert
- Leigh-Anne Kehler (storyteller)
- Spring music concert
- RM 152 Drama production
- outdoor warriors (forest school)
- Gr. 5 Camp at Nutimik
- Ribbon skirt workshop
- MIG
- "little chefs" (TD cooking group)
- opening day smudge and sharing circle
- LOGS
- Games club
- STEM club
- Gr. 5 crossing guards
- Triple ball
- Photography club
- Makerspace
- Concours d'art oratoire
- Free clothing drive for families
- Gr.5 Drama (Robert Munsch Ready, Set, Go!)
- "Outside our Windows" Gr. 1/2 book illustrated and written by students
- World Down Syndrome Day (school wide sock hop)
- Michael Redhead Champagne (orange shirt day presentation)
- Terry Fox Run
- Festival du Voyageur
- Spring Tea
- Annie Bergen (whole school mural)
- D-Team (dinosaur club)
- Petit Café
- "Keeper of the Grey Cup" Jeff McWhinney
- library improvements
- "Bear of the month"
- jingle dress dancing presentation
- Akhi (lunch hour reading circles)
- cross-country
- Craft club
- Beading workshop
- K-2 recess helpers
- Drum making workshop
- K-2 lunch helpers
- Gr. 5 Artspeak
- Community Information night

Heartland Colony School:

For student engagement at Heartland we continue to incorporate

- school-wide teambuilding activities to help with reasoning and logic skills
- class dojo points to continue to work on classroom routine outcomes/incentives
- project based learning through Home Ec to build on skills used on the colony.
- Christmas Concerts, including school choirs
- "I Love to Read" Month - School wide stories, and visitors
- Mother's Day Tea
- Spirit Weeks
- Year End School Picnic
- Terry Fox Walk
- Back to School BBQ
- Lunch time Pickleball
- Student of the Week activities

Hofer Colony School:

- Colour Teams - STEM Activities
- Elana Spence team building days
- Annual Play Day
- Snowshoes
- Ice Hockey
- Truth and Reconciliation Activities
- Artist in the Classroom to create a 4' x 4' Community glass cut mural
- Terry Fox Run

Centennial School:

We're making community connections:

- Learning with Indigenous Knowledge Keepers (We've made positive connections and conducted activities with 2 new Knowledge Keepers, as well as ones that we established relationships with last year or previously, so far this year.)
- Outings with the Youth Mentorship Program and Community Garden
- Women in Science Education (WISE) are booked to come in
- Daniel Whynot, a scientist with Tanco Mines, has been booked to come in
- Grades K-4 have gone on community walks.

We're holding engaging events:

- Indigenous Culture Day
- Winter Concert
- School Halloween activities
- Health and Wellness Week
- I Love to Read Month activities
- Music Month
- Pink Shirt Day
- Student-Led Remembrance Day Ceremony
- All of our grades 3-6 students received training in Conflict Management
- Supporting the Community Christmas Hamper campaign
- Manitoba Theatre for Young People is coming in to present Blue Beads and Blueberries to our students.
- Women in Science Education (WISE) in to work with our 3-5 classes
- Power to Choose Workshop (Elections Manitoba)
- Walk to School Week
- We Scare Hunger
- Haunted House visit
- Pyjama Days
- Math Month
- Terry Fox Run

We've got a variety of clubs and groups:

- Cross Country
- Social Club
- Badminton
- Running Club
- Buddy Readers
- Triple Ball
- Homework Club
- 3-on-3 basketball tournament hosted by Centennial
- Yoga at Lunch group during the cold of winter
- Archery
- Nature Warriors
- Track & Field
- Grade ½ Art Club
- Remembrance Day Choir
- Coed Soccer
- Creation Club

We've got a couple features of the school which we make use of for engagement:

- School Tipi (It came down for winter but will go up again to provide a learning space shortly.)
- Skating Rink

And, of course, classes go on **field trips**. Our Kindergarten classes did a November trip to the zoo. Our 5/6 classes went to Oak Hammock Marsh and are currently planning their June day trip to Camp Manitou.

Gillis School:

- Polar Bear Club, gr 3-6
- Lego Club, gr ¾
- L.O.G.S. (Low Organized Games), gr K-6
- STEM Club, gr. 3-6
- Drawing Club, Grade 3/4
- Peacemakers Student Mediators, gr 5/6
- Breakfast Club Leaders, gr ¾
- Family Group Activities
- I Love to Read Month Activities (upcoming)
- M̄cikiht̄aw Indigenous Perspectives Club, gr K-6
- Athletics (Grade 3-6)
 - Cross Country
 - Track
 - Triple Ball
 - Team Handball
 - 3V3 Basketball
- Learning Buddies, gr 1-6
- Daycare Buddies, gr 5/6
- Indigenous Literacy Month
- Talent Development, gr K-6
- Terry Fox Run, gr K-6
- Green House, gr 3/4
- Intramurals gr 3-6
- Field Trips

École Edward Schreyer School:

- Drama Production
- Intramurals
- Gr 11 Canoe Trip
- Gr 7 Camp
- Gr 8 Ski Trip (Falcon)
- MTC Group
- MTC Backstage Pass Program
- U of W Enrichment Week

- Mini MY drama production
- NDTR outdoor learning
- Winter activity/outdoor learning day
- CALM (cooking, arts, leisure, and me)
- Ski trip
- Steinbach Aquatic Center field trip
- Take Your Kid to Work Day
- Career Fair
- Apprenticeships
- Tanco Tour
- Snack program
- Talent development
- School wide breakfasts
- School wide BBQ lunches

Richland Colony School:

- We use art in many of our subject areas to engage our students in the learning process... paintings, dioramas, hands on sculptures and group projects.
- In Science we have try to generate excitement about new concepts using experiments and demonstrations.
- Our students are very motivated by anything musical, so we incorporate opportunities to explore instruments and singing.
- Technology has provided many opportunities for students to engage, practice and explore new learning from using Mathletics and Reflex in Math to creating their own Kahoot! Games and playing them with classmates. Our 3D printer has also worked well for students with strengths or interests in using technology to program and create.
- Field trips and outdoor exploration, collecting specimens from our surrounding ecosystem and bringing them into the school for further study.
- Inviting parents into the classroom is very motivational and enhances student engagement.
- Our students are on house teams that we use for many of our team building engagement activities.
- Outdoor and indoor games and exercises
- Swimming lessons
- Fitness and endurance testing
- Birthday celebrations
- Mother's Day Tea
- Christmas Concert practicing
- Pysanka Easter Egg decorating
- I Love to Read Month challenges
- Fitness Friday Activities
- Guest presenters
- Pen pals from other colonies

Springfield Middle School:

- Meet The Teacher Barbeque
- Teacher Advisory Group – Activities and Battles
- Guest Speakers
 - Michael Champagne
 - Christy Jordan-Fenton
- Truth and Reconciliation Week – Activities

Springwell Colony School:

- hands-on learning, providing opportunities for students to use manipulatives during their daily math tasks (place value blocks)
- teaching and working on a variety of hands-on math games, including a variety of games that involve different manipulatives
- reading books of interest as a whole class and creating lessons/discussion from that. (Middle Years classroom read aloud, "Captive in Iran" focus discussion on human rights, world events etc.
- offering a variety of word work and writing activities which allows the students the option of choice, they are loving the creative aspect of the "word work menu"
- interactive writing (our daily morning message) this helps students prepare for our day by knowing what is going on, every child has to opportunity to help with the morning message, contributing a sentence, correcting a word, reading the message aloud, etc.
- incorporating design process activities for science
- inviting Elana into our classroom to do a final review of our units of study (Science)
- interactive bulletin board, this has brought on excitement throughout our school, children are eager for the weekly question and love thinking the question through before finally placing their answer
- Project based learning (research projects based on student interest) publishing choices (Poster, 3D displays etc.)
- own song writing/composing
- creating movement with music to bring a poem to life.
- student led warmups in gym that address the four fitness components
- self directed plays for Fall, Christmas, and Spring Performances (Concerts).
- student equipment monitors (physical education class and student breaks) distribute and collect equipment.
- input into concert repertoire choices.

École Dugald School:

- Polar Bear Club, gr K-8
- MY Recreation Club, gr 6-8
