Administrative Leadership
May 1, 2024**

The Board of Trustees is pleased to announce Anna Langevin as the Principal of Richland School effective fall 2024.

Anna has 9 years of education experience, most recently as a classroom teacher at École Beausejour Early Years School. Her teaching journey has included Heartland School and the sister colony to Richland being Silverwinds. This has taught her the importance of respecting and integrating community values into education and led her to pursue her Post-Baccalaureate degree in Inclusive Education. She has taught multiage classrooms tailoring lessons for individualized learning at more than one grade level. She has spearheaded professional learning for grade 1 and 2 teachers, promoting the adoption of UFLI across various grade levels.

Anna has successfully cultivated a classroom atmosphere rooted in respect and cooperation to enhance active engagement and collective learning.

Please join us in welcoming Anna to this new leadership opportunity.
