Dear Parents / Guardians,

We are planning a grade 8 ski trip to Asessippi located in the area of Russell, MB. The trip will be 2 days, 1 night (March 19<sup>th</sup>-20<sup>th</sup>).

We have been trying to plan this trip since October, but the dates never lined up. Fortunately, Asessippi Ski Resort reached out to me with a cancellation. This means that we need to confirm student numbers ASAP, as well as deposits. I apologize for the time restraint.

Transportation will be provided by Beaver Bus Line via motor coach. Accommodation will be provided by the Russell Inn.

The **approximate** cost of the trip will be as follows (this is dependent on student participation).

\$310	Ski/snowboard equipment rental (includes boots & helmet), lift ticket, compulsory lesson, bus transportation, accommodation, dinner and breakfast
\$260	Lift ticket, compulsory lesson, bus transportation, accommodation, dinner and breakfast

**\*\*\*Helmets are required for ALL students skiing and snowboarding at Asessippi\*\*\***

All students **must attend** an orientation session prior to the trip that will occur in February. All students **must also** attend a lesson at the ski area that will be appropriate for their level.

A deposit of \$50.00 (cash or cheque made out to Springfield Middle School) is needed to confirm the reservation. The remainder of the amount must be paid by the date to be announced later. *Please note that cheques and cash will not be deposited until families are informed of final cost.*

Once we have finalized student numbers, I will send additional information.

Your response is required by **Wednesday, January 24<sup>th</sup>** at the latest.

I have read the information and give permission for my child to attend the outing.  
I am including \$50 (cash or cheque) for the deposit.
