Administrative Leadership
April 11, 2024**

The Board of Trustees is pleased to announce Andrew Mead as the Principal of École Dugald School effective fall 2024.

Andrew has 27 years of education experience, most recently as the Divisional Principal of Learning and Inclusion at Pembina Trails School Division. Prior to his work in Pembina Trails, Andrew took on the role of Principal for Manitoba's first Remote Learning Centre. He has his Master of Education and brings with him a wide range of educational experiences from French Immersion, Advance Placement, International Baccalaureate, Technical Vocation, and alternative settings. His leadership includes school-based, divisional, provincial and national levels. Andrew's an active committee member on numerous school teams and continues to seek out professional development opportunities committed to the principles of justice, equity, diversity and inclusion.

Andrew's philosophy is provide opportunities for students to engage in meaningful learning experiences that cater to their diverse needs and interests by creating an inclusive and nurturing environment.

Please join us in welcoming Andrew to his new leadership opportunity.

The Division recognizes the importance of having a French Speaking administrator in our French Immersion Schools. As such, the Division will be posting for an additional (0.25 f.t.e.) Assistant Principal at École Dugald School to help support language learning for students and families.
