

**Retirement and Long Service Awards Report
March 19, 2024**

Sunrise School Division has been hosting a joint event between the division and all union groups for several years now. Last year saw the division return to an in-person event after several years of hosting a virtual event. This year, we would like to look at once again providing an in-person event and will need to get working on planning soon.

The planning group for the Retirement and Long Service Awards celebration includes:

-Jennifer Baker	Executive Assistant (Superintendent)
-Sara Scott	Executive Assistant (Secretary-Treasurer & Board)
-Nancy Sinclair	Union #5097 President
-Doreen Palidwor	Union #1618 President
-Pam Selch	Union #4456 President
-Serena Klos	STA Union President
-Yvonne Brandt	Administrative Support Staff
-Jody Thiessen	Secretary-Treasurer
-Trevor Reid	Superintendent

The group has usually had one or two trustees on the committee to assist with the planning of our celebration.

The chosen date, venue, program details and roles required will be shared with trustees at upcoming meetings. There will be speeches, toasts, and photo opportunities for members of the Board, Senior Administration, and union presidents.

At this point, the Superintendent is looking for one or two trustees who would be interested in attending meetings and assisting with the planning of our Long Service and Retirement Celebration.
