THE RURAL MUNICIPALITY OF BROKENHEAD
2024 SPRING ROAD RESTRICTIONS IN TYNDALL, GARSON AND HENRYVILLE

In accordance with By-Law No. 2167-16, the Rural Municipality of Brokenhead hereby gives notice that the start and end dates of Spring Road Restrictions will take effect at the same time as the Provincial Road Restrictions. **Spring Road Restrictions begin March 11th, 2024.**

During Spring Road Restrictions, all municipal roads within the Local Urban District of Tyndall, Garson and Henryville will be limited to 65% of normal axle loads.

Visit the Province of Manitoba website (<https://www.gov.mb.ca/mit/srr>) for up-to-date information regarding changes to the start and end dates of the road restrictions.

The purpose of Spring Road Restrictions is to protect the roadways from damage during the spring thaw conditions. Thank you for your cooperation in following these restrictions.

Cards of Thanks

THANK YOU

We would like to express our sincere thanks to everyone for the many heartfelt expressions of kindness and support in the loss of our mother, **Elva Martin**. Thank you for the cards, messages, food baskets and donations made in Mom's memory. Thank you to East Gate Lodge for caring for Mom these past years. Thanks to the Floral Merchant for the beautiful & personal floral arrangement. A special thanks to Sobering Funeral Home for their guidance and support.
David & Sandy Martin and Brenda & Andy Severinsen

THANK YOU

The family of **Noreen Froehlich** would like to thank all for attending mom's memorial service, flowers, donations, sympathy cards and for all those who served the lovely lunch after.

The Rural Municipality of Springfield
Notice of Impending Spring Restrictions on Municipal Roads

Each year, the Municipal Road infrastructure is weakened by the Spring thaw. To reduce damage to our roads, reduced vehicle weights are applied to Municipal roads. This year, dependant on weather conditions, restrictions will be applied similar to the dates chosen by the Province, **which will tentatively commence March 18th, 2024 at 6:00 am and will remain in effect until midnight on May 5th, 2024. *Municipality has the authority to change these dates being earlier or later depending on weather and road conditions.**

During this time posted roads will be limited to Level 2 B1 Highway (65% of normal axle loads) and may remain in effect for up to 90 days.

Since restrictions are dependent on weather, our website will be updated regularly to reflect any changes at www.rmofspringfield.ca Updates can be found under Municipal Services > Public Works > Spring Road Restrictions or on the home page.

For information respecting policy, procedures and exemptions contact the Springfield Police Service Office at 204-444-4308.

The Rural Municipality of Springfield
PUBLIC NOTICE Seasonal Dust Control Application

The Rural Municipality of Springfield would like to remind residents interested in applying for the application of seasonal dust control, the RM is now accepting orders for the 2024 season.

Applications will be received at the Public Works Building located at 27055 Oakwood Rd. Unit 2, up to and including April 30th of each year, or if April 30th falls on a weekend it will be the next business day. The rate will be 50% of the actual rate of the current application cost. The annual cost shall be determined, and advertised, in the month of March and April of each year, and will be posted to the RM's web site. The cost for the 2024 season for residents will be \$.55 cents per foot (50% cost share), this includes all taxes. The cost to residents after April 30 will be \$1.010 cents per foot. **The Department accepts cash, cheque and Interac as forms of payment.**

A minimum of 45 meters (150 feet) of dust suppressant is required, and not more than a 4.8-meter width (16 feet) is allowed unless deemed necessary by the Public Works Department.

The Municipality cannot guarantee the effectiveness of the dust control suppressant. Once a dust control suppressant has been applied, no refunds will be made. **The use of a dust suppressant is meant to control dust on the roadway, not to eliminate it completely.**

The Municipality will not be responsible for any private dust control product applied to the roadway by a resident, and will maintain the roadway as deemed appropriate by the Public Works Department.

For a complete copy of the RM of Springfield's Dust Control Policy, please refer to our website at www.rmofspringfield.ca To download the application, please visit our website and navigate to Municipal Services > Public Works > Dust Control; Or pick up an application at the Public Works office.

The Public Works office is open Monday to Thursday from 7:00 am to 4:30 pm and Friday 7:00 am to 3:30 pm. Please note that the Office is closed daily between 12:00 and 12:30 pm.
