Administrative Leadership
April 24, 2024**

The Board of Trustees is pleased to announce Kelly Palmer as the Assistant Principal of École Dugald School effective fall 2024.

Kelly has 17 years of education experience, most recently as a classroom teacher at École Dugald School. She received her Bachelor of Education and a Bachelor in Arts with a Major in French both from the Université de Stain-Boniface. She has been the teacher designate and team leader at Dugald for multiple years. As well, she is a member of the French Culture Committee at the school that facilitates activities to promote the French language and culture within the community. Her teaching experience includes students with significant challenges in language acquisition within the French Immersion program.

Kelly's philosophy is to set clear expectations for student behaviour and academic achievement, fostering an environment where all students are able to meet those expectations.

Please join us in welcoming Kelly to this new leadership opportunity.
