

# Springfield Remembrance winners recognized

Royal Canadian Legion Branch 146 Springfield recently recognized local youths who participated and won in the National Youth Remembrance Contests.

Through the annual National Youth Remembrance Contests, the Legion National Foundation, with the assistance of Legions and schools across the country, invite Canadian youth and children from Grades 1-12 to honour Canada's Veterans and foster the tradition of Remembrance through visual art, writing and video.

The Springfield Legion has always been proactive in the encouragement of these contests and was very pleased to receive 165 excellent entries from the Primary, Junior and Intermediate grade levels from Springfield schools. After the judging of en-

tries at branch level, 24 students were awarded with certificates and monetary gifts at school assemblies. First placed entries were then judged for further competition at zone, then district and continuing to provincial and national level.

École Dugald School had nine recipients with the four achieving first place: Logan Ford (Junior Colour Poster), Isaiah Kimmel (Intermediate Black and White Poster), Sumner Schlag (Junior Poem) and Yuvraj Bharj (Intermediate Essay). Bharj also received first place certificates and monetary gifts at Zone 62 and District 6 for his excellent essay.

Hazelridge School had seven students take home awards with three receiving first place including Lillian Michaleski (Primary Col-

our Poster), Emrin Ivison (Primary Black and White Poster) and Leah Kharoufeh (Junior Black and White Poster). All students at Hazelridge School submitted poster entries.

Grade 7 students at Springfield Middle School received three awards for their entries in the Intermediate Poetry category with the top poem written by Ivy Sawatsky. All Grade 7 students at SMS submitted poems.

Oak Bank Elementary had five students receive recognition for their entries at the Junior level. Grade 5 student Jaxsin Higgins was awarded first for his Junior Essay.

Special acknowledgements were made to the many local educators who encouraged and promoted the theme of Remembrance in their curriculums and submitted student entries.
